Negative forces who want to surrender to The LIGHT

This code includes all negative forces/devils/satans and by the negative ensouled spirits who are willing to surrender to The LIGHT.

The purpose of the negative is to emotionally destroy/deceive humanity and persuade it to choose the negative. They try to destroy all the beauty in people / to put people in the perspective that they belong to the negative (knowingly and unknowingly). The negative sees that they are losing. The negative forces that are connected to the human being see that they have a problem. Some forces can no longer go back, but they also know that they will not win the fight: they have nowhere to go.

In people's feelings this can be experienced as a problem. As if the end is in sight for you and it can feel like everything will collapse. Some negative forces become afraid and others use their last strength to make people's lives miserable. This also applies to the lives of the Lightworkers.

The DIVINE WORLD would like the Lightworkers to understand: it is not the Lightworkers who have a problem. The negative forces that are connected to the human being are the ones who have a problem. We experience the reaction through incoming feelings and thoughts of, among other things: pain, panic, tension, sadness, hopelessness, gloom, unreal fears and aggression.

We are all from GOD, GOD is in us and GOD carries us. When it seems like everything is falling apart, it is up to the Lightworkers to place knowledge above feeling. That you KNOW that it is good and will be good.

If one wants to do something for the Earth and/or for oneself, one can do the following procedure for disconnecting.

CHAAS 24 - 13 ®

To disconnect:

This code comes into effect from **September 24, 2023**.

Further: Say via your Heart 13 times:
