### Negative forces who pretend to be you and/or from THE LIGHT

Negative forces who pretend to be you and/ or from THE LIGHT and/or have keys/ codes from you. These negative powers work in a way in which You, when under influence of these powers, are not aware that they are not coming from yourself and/or from THE LIGHT. These negative forces which are connected to the human beings, have the strategy to become one with your Energy in a very subtle way so that you identify yourself with this Energy and the feelings and thoughts that come from this. Identification: 'this is just who I am'.

#### **The difference becomes visible in the effect of the handlings/ actions**

These negative forces are very difficult to tell apart based on feelings and thoughts because their expression is a copy of the expression as the person in question recognises this from him/ herself or from THE LIGHT.

These negative forces can only be distinguished by the effect of the handlings/actions from this Energy. After a period of time people can see in certain (recurrent) situations/ actions that the handlings/ actions that people have done from this Energy have the opposite effect of that what the person wants/ what serves you.

The effect (result) is what the human beings in general experience as 'not nice' or 'very heavy'. This is not a punishment but every human being needs this. The human beings need the effect to be undesirable because this results in more awareness: "I do not want this anymore"/ "this does not suit me"/ "this doesn't serve me (anymore)".

The meaning of this process is to create awareness of that which seems to serve the human beings but actually limits/ blocks them. Through experiences the human beings gather knowledge/wisdom. The knowledge/wisdom needs to reach such a status that the human beings can oversee/ transcend what is manipulating them; this way the human beings will free themselves of this deception.

Thanks to the experiences and the knowledge/ wisdom that comes from it, the human beings can step by step let go of the old feelings, habits, way of thinking etc.; which do not serve them. Also, the feelings, ways of thinking and habits that you have identified yourself with/ as could be revealed as not longer suitable for you. Also that which you once completely agreed with or that which once made you feel safe.

It is very detrimental to the negative when the human beings become aware of these negative forces who pretend to be from yourself/ THE LIGHT.

The process of becoming free of these negative forces, can involve inner confusion, fear, emotional/ physical pains etc. For some human beings it can feel as having to give up a piece of themselves.

### **Disconnection:**

When in meditation, make contact through your Heart in mind to GOD THE CREATOR and ask if a beginning can be made with the disconnection of the negative powers who pretend to be Yourself/ THE LIGHT and/or from THE LIGHT and/ or have keys/ codes from you and who are not true to the and who do not abide by the ALL-ENCOMPASSING NEUTRAL LAW OF KARMA (cause and effect).

Ask through your Heart in mind to GOD THE CREATOR, THE ANGEL NUMBER ONE, ANGEL MICHAEL & ANGEL GABRIEL if you may be freed of the NEGATIVE FORCES DEVILS/SATANS IN ALL FORMS AND NAMES WHO PRETEND TO BE YOURSELF OR FROM THE LIGHT AND/OR HAVE KEYS/CODES FROM YOU AND DO NOT ABIDE BY THE ALL-ENCOMPASSING NEUTRAL LAW OF KARMA.

Furthermore: say in your thoughts though your Heart 13 times:
